Essential Cases: Public Law provides a bridge between course textbooks and key case judgments. This case document summarizes the facts and decision in R v Inspectorate of Pollution, ex parte Greenpeace Ltd (No. 2) [1994] 2 CMLR 548, High Court (Queen’s Bench Division). This case concerned whether organizations could demonstrate a sufficient interest for the purposes of bringing a judicial review on the basis of their expert knowledge and the public interest in bringing an application for review forward. The document also includes supporting commentary from author Thomas Webb.
