Essential Cases: Public Law provides a bridge between course textbooks and key case judgments. This case document summarizes the facts and decision in R (on the application of Public Law Project) v Secretary of State for Justice [2016] UKSC 39, Supreme Court. The Court was asked to consider whether the Henry VIII powers granted under the Legal Aid, Sentencing and Punishment of Offenders Act 2012 permitted the Secretary of State for Justice to introduce a residency test into the provisions regulating legal aid. The case raises wider questions about the oversight and review of Henry VIII powers. The document also includes supporting commentary from author Thomas Webb.
