Essential Cases: Public Law provides a bridge between course textbooks and key case judgments. This case document summarizes the facts and decision in R (on the application of UNISON) v Lord Chancellor [2017] UKSC 51, Supreme Court. This case considers whether the fees applicants were required to pay to access the Employment Tribunal and Employment Appeals Tribunal interfered with their ability to access justice. The UKSC articulated the right of access to justice as deriving from the common law. The document also includes supporting commentary from author Thomas Webb.
