Each Concentrate revision guide is packed with essential information, key cases, revision tips, exam Q&As, and more. Concentrates show you what to expect in a law exam, what examiners are looking for, and how to achieve extra marks. This chapter discusses intentional torts. It covers key debates, sample questions, diagram answer plan, tips for getting extra marks, and online resources. To answer questions on this topic, students need to understand the following: trespass to the person: assault, battery, false imprisonment, the rule in Wilkinson v Downton, and Protection from Harassment Act 1997; trespass to land; trespass to goods and the tort of conversion; and defences to intentional torts: necessity, lawful arrest, consent, and self-defence.
