This chapter provides an overview of the book's main themes. This book aims to give students the best possible chance of success when studying law at university. It is ideal for those applying for or have just accepted a place to study law at university; about to start a law degree; studying law at university; and thinking about whether to study law at university. An important feature of this book is the advice provided by real law students. A panel of students from different universities, studying different law programmes and with different backgrounds, provide their take on a wide range of issues. The six sections of the book are also described.
