1. The birth of equity and trusts

Chapter: (p. 1) 1. The birth of equity and trusts

Author(s): Richard Clements and Ademola Abass

DOI: 10.1093/he/9780198787549.003.0001

Titles in the Complete series combine extracts from a wide range of primary materials with clear explanatory text to provide readers with a complete introductory resource. This chapter discusses the origin of equity and trusts as distinctive aspects of the English legal system and the subsequent merger of equity with the common. It covers the meaning and origin of equity; what became of the chancery jurisdiction after the Earl of Oxford but before the Judicature Act; the reform of the Court of Equity; the Supreme Court of Judicature Acts 1873-5; the modern relevance of equity; the types and nature of trusts; and the recognition of trusts.

Access to the complete content on Law Trove requires a subscription or purchase. Public users are able to search the site and view the abstracts and keywords for each book and chapter without a subscription.
