11. Executive Power and Accountability

Chapter: (p. 325) 11. Executive Power and Accountability

Author(s): Lisa Webley and Harriet Samuels

DOI: 10.1093/he/9780198798064.003.0011

Titles in the Complete series combine extracts from a wide range of primary materials with clear explanatory text to provide readers with a complete introductory resource. This chapter, which examines the nature and extent of executive power, begins by defining executive power, and by explaining where it is derived and who may exercise it. It then discusses the mechanisms by which an executive can be called to account for its exercise of power; the extent to which Parliament may hold the government accountable; and the extent that courts may hold the government accountable.

Access to the complete content on Law Trove requires a subscription or purchase. Public users are able to search the site and view the abstracts and keywords for each book and chapter without a subscription.
