Titles in the Complete series combine extracts from a wide range of primary materials with clear explanatory text to provide readers with a complete introductory resource. This chapter examines the legislative supremacy of the UK Parliament and its impact on human rights protection (and vice versa), discussing the history of the European Convention on Human Rights (ECHR) in a UK context and the ECHR's legal standing. It considers the Human Rights Act 1998 (HRA 1998) and its operation in the UK. The chapter addresses how the ECHR and the HRA 1998 affect parliamentary supremacy, and how the human rights context differs from the EU context as regards parliamentary supremacy. Finally, it analyses whether parliamentary supremacy provides adequate protection of human rights.
