1. Administration and the principles of the constitution

Chapter: (p. 3) 1. Administration and the principles of the constitution

Author(s): Timothy Endicott

DOI: 10.1093/he/9780198804734.003.0001

Administrative law includes a complex variety of processes and doctrines that confer and control public power. This chapter outlines the underlying principles of administrative law. Topics discussed include arbitrary government and the core of administrative law, administration, the principle of relativity, the principles of the constitution, system principles, accountability, and Europe and the principles of the constitution.
