23. Current issues

Chapter: (p. 402)  23. Current issues

Author(s): Rhona K. M. Smith

DOI: 10.1093/he/9780198805212.003.0023

This chapter outlines the future agenda for international human rights and provides an overview of some issues that are likely to characterize the evolution of international human rights in the future. These include non-State actors, including businesses. Environmental rights are also considered. The chapter also suggests that State responses to the threat of terrorism must be proportionate to said threat and must be in accordance with the law, respecting fundamental rights and freedoms.
