Titles in the Core Text series take the reader straight to the heart of the subject, providing focused, concise, and reliable guides for students at all levels. This chapter examines issues related to the terms of the contract. It explains the distinction between terms and mere representations, and analyses the difference between signed and unsigned contracts in relation to the incorporation of express. This chapter also considers the parol evidence rule and the modern contextual approach to contractual interpretation. Finally it considers implied terms, which can be implied by statute or by the courts.
