13. Express and implied trusts

Course-focused and comprehensive, the Textbook on Land Law provides an accessible overview of one key area on the law curriculum. This chapter provides an outline of certain matters relating to trusts of land. It covers the separation of title and enjoyment; express and implied trusts; statutory trusts; and the pre-1997 methods of creating settlements of land, which are now replaced by the new trust of land under the Trusts of Land and Appointment of Trustees Act 1996. In addition, the chapter includes a more detailed account of resulting and constructive trusts.
