6. Financial Remedies on Divorce

**Family Law: Text, Cases, and Materials (4th edn)**
Joanna Miles, Rob George, and Sonia Harris-Short

All books in this flagship series contain carefully selected substantial extracts from key cases, legislation, and academic debate, providing able students with a stand-alone resource. This chapter focuses on financial remedies on divorce. After outlining key socio-economic data about the family economy and its impact on family members (especially parents) on relationship breakdown, it discusses financial remedies on divorce; the principles governing the grant of those and exercise of the statutory discretion; the clean-break principle; private ordering; and reform.
