9. Becoming a Legal Parent and the Consequences of Legal Parenthood

Chapter:
(p. 611) 9. Becoming a Legal Parent and the Consequences of Legal Parenthood

Author(s): Joanna Miles, Rob George, and Sonia Harris-Short

DOI: 10.1093/he/9780198811848.003.0009

All books in this flagship series contain carefully selected substantial extracts from key cases, legislation, and academic debate, providing able students with a stand-alone resource. This chapter examines how the status of ‘legal parenthood’ is acquired under English law. It considers different concepts of parenthood and possible approaches to determining legal parenthood; the current legal framework for identifying a child’s legal parents where a child is conceived through natural procreation; and the problems and challenges raised by the use of assisted reproduction techniques and surrogacy.
