Each Concentrate revision guide is packed with essential information, key cases, revision tips, exam Q&As, and more. Concentrates show you what to expect in a law exam, what examiners are looking for, and how to achieve extra marks. This chapter examines six offences: criminal damage, robbery, burglary, handling stolen goods, making off without payment, and squatting. What the offences share is that they relate in some way to property. Although rarely examined on their own, these topics are often assessed as part of bigger questions, sometimes incorporating other offences (eg theft, assault) and sometimes involving aspects of the general defences too.
