Each Concentrate revision guide is packed with essential information, key cases, revision tips, exam Q&As, and more. Concentrates show you what to expect in a law exam, what examiners are looking for, and how to achieve extra marks. This chapter discusses sexual offences, including rape, assault by penetration, sexual assault, and causing sexual activity. Sexual offences are all governed by the Sexual Offences Act 2003. The meaning of consent is key because lack of consent is an element of the actus reus, and the belief about consent is an element of the mens rea. Where the victim is aged 13 or younger, consent is irrelevant and liability as to age is strict.
