4. Discrimination: the protected characteristics

Each Concentrate revision guide is packed with essential information, key cases, revision tips, exam Q&As, and more. Concentrates show you what to expect in a law exam, what examiners are looking for, and how to achieve extra marks. This chapter focuses on ss 4–12 Equality Act 2010. The Act protects people from discrimination in relation to nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation. It also protects people from discrimination by association with someone who has one of the protected characteristics and from discrimination by perception (eg discrimination because of sexual orientation includes discrimination against those one perceives to be gay even if they are not).
