9. Unfair dismissal

Each Concentrate revision guide is packed with essential information, key cases, revision tips, exam Q&As, and more. Concentrates show you what to expect in a law exam, what examiners are looking for, and how to achieve extra marks. This chapter discusses the law on unfair dismissal. The employer must demonstrate that the reason for the dismissal relates to capability or qualifications, conduct, a statutory ban, or some other substantial reason of a kind to justify the dismissal. An employer must act reasonably in treating a reason as sufficient for dismissal. It should be guided by the ACAS Code of Practice 2015 and must follow contractual procedures. The remedies for unfair dismissal include re-employment or compensation.
