The Concentrate Questions and Answers series offers the best preparation for tackling exam questions and coursework. Each book includes typical questions, suggested answers with commentary, illustrative diagrams, guidance on how to develop your answer, suggestions for further reading, and advice on exams and coursework. This chapter examines the law on minority shareholder remedies, which provide some limited protection or avenues of redress for a shareholder with grievances concerning the actions of the company, directors, or majority shareholders. The chapter explores, in particular: the rule in *Foss v Harbottle*; derivative claims; personal claims and the issue of reflective loss; the ‘unfair prejudice’ remedy in Companies Act 2006, s. 994; and petitions to wind up the company on the ‘just and equitable’, ground under Insolvency Act 1986, s. 122(1)(g).
