The Concentrate Questions and Answers series offers the best preparation for tackling exam questions. Each book includes typical questions, bullet-pointed answer plans and suggested answers, author commentary and illustrative diagrams and flow charts. This chapter gives guidance on answering coursework questions and expands on the distinguishing features of coursework which are research, authorities and citation. You will be expected to have researched in more than usual depth to answer these types of questions and to give full as well as accurate references for your arguments and analysis. The chapter also covers writing and reading; sources; academic writing; keeping organised notes; analysis, writing style and referencing; and assessment criteria. A coursework example question, with accompanying answer guidance, is also available.
