2. Burden and standard of proof: Presumptions

The Concentrate Questions and Answers series offers the best preparation for tackling exam questions. Each book includes typical questions, bullet-pointed answer plans and suggested answers, author commentary and illustrative diagrams and flow charts. This chapter discusses the allocation of the burden of proof in civil and criminal trials, depending on who should bear the risk. In criminal trials the ‘presumption of innocence’ means that the burden is on the prosecution, unless reversed by express or implied statutory provision. The law of evidence safeguards what in some jurisdictions is a civil right backed by the constitution. It is important to understand the difference between the legal and evidential burden and the occasions where they are separately allocated. Tricky areas are where there is a divorce of the legal and evidential burden, primarily in situations where the prosecution cannot
