The Q&A series offers the best preparation for tackling exam questions. Each chapter includes typical questions; diagram problem and essay answer plans, suggested answers, notes of caution, tips on obtaining extra marks, the key debates on each topic and suggestions on further reading. This chapter considers questions relating to parliamentary sovereignty. There is a traditional doctrine of parliamentary supremacy, but it has had to be adapted to accommodate membership of the European Union. The questions deal with issues such as the meaning and implications of ‘parliamentary supremacy’; the impact of the UK’s EU membership on the doctrine of parliamentary sovereignty; the effect of EU legislation, such as directives, in English Law; how the European Union works; and how Brexit will affect Parliamentary Supremacy.
