This chapter discusses the rules relating to the officers of a company. It considers the meaning of ‘director’ and the position of the Board of Directors. It examines the appointment, retirement, and removal of directors and considers the powers of directors and their authority to act on behalf of the company. The chapter examines the general duties of directors, including the codified duties under the Companies Act 2006, and considers the effect of a breach of those duties. The appointment and the role of a company secretary and company auditors are examined. The chapter concludes with a discussion of the meaning of corporate governance.
