Titles in the Complete series combine extracts from a wide range of primary materials with clear explanatory text to provide readers with a complete introductory resource. This chapter discusses the rights of the mortgagor (rules protecting the equitable right to redeem, ‘clogs’ and ‘fetters’, postponement of redemption, collateral advantages, restraint on trade); statutory regulation of mortgages; leasing of the mortgaged property; undue influence, where a third party pressurizes the mortgagor into cooperating in the granting of a mortgage so that the third party can get a loan from a lending organization; redemption of mortgages; and fire insurance of the mortgaged property.
