1. An Introduction to Bioethics

Chapter: (p. 1) 1. An Introduction to Bioethics

Author(s): Emily Jackson

DOI: 10.1093/he/9780198825845.003.0001

All books in this flagship series contain carefully selected substantial extracts from key cases, legislation, and academic debate, providing students with a stand-alone resource. This chapter, which provides an introduction to bioethical reasoning, first explains the meaning of ‘medical ethics’ and the more recent term ‘bioethics’. It then considers how medical ethics has borrowed from different traditions in moral philosophy and varieties of ethical reasoning—from religious bioethics to a feminist ethic of care.
