3. Medical Malpractice

Chapter: (p. 121)  3. Medical Malpractice

Author(s): Emily Jackson

DOI: 10.1093/he/9780198825845.003.0003

All books in this flagship series contain carefully selected substantial extracts from key cases, legislation, and academic debate, providing students with a stand-alone resource. This chapter discusses the law on medical malpractice. It covers breach of contract; establishing a case for negligence and the defences available; problems with clinical negligence; reforming the clinical negligence system; the NHS complaints system; professional regulation; whistleblowing; and criminal liability for gross negligence manslaughter and the new offence of wilful neglect. It also looks at the special issues raised in wrongful pregnancy and wrongful birth cases.

Access to the complete content on Law Trove requires a subscription or purchase. Public users are able to search the site and view the abstracts and keywords for each book and chapter without a subscription.
