Titles in the Core Text series take the reader straight to the heart of the subject, providing focused, concise, and reliable guides for students at all levels. This chapter discusses the following: the right to begin; the role of the trial judge; the judge’s right to call a witness; examination-in-chief; hostile witnesses; cross-examination; re-examination; calling evidence relating to witnesses’ veracity; witness support; the Crown’s right to reopen its case; and special protections extended to various classes of witness in criminal cases. Many of the rules apply to civil and criminal proceedings alike. However, as elsewhere in this book, the accent will be on rules of criminal evidence.
