12. Negotiation and mediation

This chapter provides guidance as to how to conduct a negotiation and a mediation, and explains the difference between the two. It explains how, why, and when a law student might require these skills, and how to further develop the skills for professional practice. Advice is given about how to prepare a negotiation plan.

Access to the complete content on Law Trove requires a subscription or purchase. Public users are able to search the site and view the abstracts and keywords for each book and chapter without a subscription.
