Each Concentrate revision guide is packed with essential information, key cases, revision tips, exam Q&As, and more. Concentrates show you what to expect in a law exam, what examiners are looking for, and how to achieve extra marks. This chapter focuses on the duty of the seller to deliver the goods, and the duty of the buyer to accept them and to pay the price. It first explains the meanings of delivery, acceptance, and payment as well as the provision in the Sale of Goods Act 1979 in respect of these matters, and then considers the distinction between consumer and business buyers and cases where the wrong quantity of goods has been delivered. The chapter also discusses delivery by instalments, delivery to a carrier, and the right of the buyer not to return rejected goods.
