5. The Jurisdiction of the Court of Justice

The Concentrate Questions and Answers series offer the best preparation for tackling exam questions. Each book includes typical questions, bullet-pointed answer plans and suggested answers, author commentary, and illustrative diagrams and flowcharts. This chapter deals with questions on the range of actions or types of procedure provided for under the TFEU (ex-European Community (EC) Treaty). These are the actions under Arts 258–60, 263, 265, 268, 277, and 340 TFEU. The questions range from a straightforward consideration on the procedure of each action to the difficulties for applicants in these actions: the setting of difficult problem questions on the procedural aspects to questions requiring a consideration of more than one action. The chapter concludes with a general question on the overall range and effectiveness of remedies for individuals in the EU legal order. A mixture of essay and problem-type questions is provided.
