The Concentrate Questions and Answers series offer the best preparation for tackling exam questions. Each book includes typical questions, bullet-pointed answer plans and suggested answers, author commentary, and illustrative diagrams and flowcharts. This chapter presents questions on registered land under the Land Registration Act (LRA) 2002 and deal with all aspects of registrable interests and two categories of interest which are not registrable substantively, which include minor (registrable interests that can be protected by the entry of a notice on the register), and overriding interests (a list of which is contained in Schedule 3, LRA 2002), alongside the mirror principle.
