Concentrate Questions and Answers
Equity and Trusts: Law Q&A Revision and Study Guide (3rd edn)  
Rosalind Malcolm

Abstract
The Concentrate Questions and Answers series offer the best preparation for tackling exam questions. Each book includes typical questions, bullet-pointed answer plans, suggested answers, and author commentary. This book offers advice on what to expect in exams and how best to prepare. It starts off with an introduction to the nature of equity and the law of trusts. The three certainties and formalities are then described. There is a chapter on trusts, powers, and discretionary trusts which is followed by a description of charitable trusts, trusts of imperfect obligation, and implied and resulting trusts. The book goes on to look at constructive trusts, trusts of the family home, equitable estoppel, the administration of trusts, and finally looks at equitable remedies. This book also includes separate chapters on skills for success in both exams and in coursework assessments.

Keywords: equity, law of trusts, powers, charitable trusts, imperfect obligation, constructive trusts, estoppel, equitable remedies, protective trusts, skills for success, coursework assessments, exams, answer plans, structure, model answers, expert advice
