11. Financial Orders Following Divorce or Dissolution

This chapter discusses the factors that a court will take into account when deciding on the division of money and property following a divorce or dissolution of a civil partnership. It introduces the main concepts in proceedings for financial orders under the Matrimonial Causes Act 1973, which includes all of the circumstances of the case, children, and the factors for orders involving children. It examines the factors considered by the court when deciding on financial orders and these are explained in detail. It looks at the clean break principle, pensions, and the principal case-law arising from proceedings for financial orders.
