The Concentrate Questions and Answers series offers the best preparation for tackling exam questions and coursework. Each book includes typical questions, suggested answers with commentary, illustrative diagrams, guidance on how to develop your answer, suggestions for further reading, and advice on exams and coursework. This chapter provides advice on exams and exam questions in company law to ensure you are best prepared for your assessment, including guidance on how to approach essay and problem questions. It provides lots of important tips for exam success, covering both your preparation for the exam, and your approach to the exam itself. The well-known approaches of IRAC (Issue, Rule, Apply, Conclude) to problem questions and PEA (Point, Explain, Analysis) to essay writing are reviewed.
